35th ANNUAL REPORT

11. Benefits of Dematerialization:

As per amended Regulation 40 of SEBI Listing Regulations securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019, except in case of request received for transmission or transposition and relogged transfers of securities. Further, SEBI vide circulars its dated September 7, 2020 and December 2, 2020 fixed March 31, 2021 as the cut-off date for re-lodgement of transfer deeds and the shares that are re-lodged for transfer shall be issued only in demat mode. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form.

12. Members holding shares in dematerialized form are requested to intimate all changes pertaining to their bank details, mandates, nominations, power of attorney, change of address, change of name and email address, etc., to their Depository Participants only and not to Company's Registrar and Transfer Agent. Changes intimated to the Depository Participant will then be automatically reflected in the Company's records. Members holding shares in physical form are requested to intimate such changes to the Company's Registrar & Share Transfer Agents, Satellite Corporate Services Pvt. Ltd.

SEBI has mandated the submission of PAN by every participant in securities market. Members holding shares in electronic form are, therefore requested to submit the PAN to their Depository Participant with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to Satellite Corporate Services Pvt. Ltd.

Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to Satellite Corporate Services Pvt. Ltd., the details of such folios together with the share certificates and self-attested copies of PAN card of the holders for consolidating their holding in one folio. A consolidated share certificate will be issued to such Members after making requisite changes.

13. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. The said form is enclosed herewith and is also available for download on the Company's website www.oasiscaps.com. Members are requested to submit the said form to Satellite Corporate Services Pvt. Ltd. at service@satellitecorporate.com in case the shares are held in physical form and Members holding shares in electronic form are requested to contact their respective Depository Participants for the same.
14. At the 32nd AGM held on 28/08/2019, the members approved appointment of M/s. A.V. Arolkar & Co., Chartered Accountants (FRN:100542W) as Statutory Auditors of the Company to hold office for a period of five consecutive years till the conclusion of the 37th AGM to be held in the year 2024.
15. Registration of e-mail address permanently with Company/Depository Participant:
To support 'Green Initiative', Members who have not yet registered their e-mail addresses are requested to register the same with their concerned Depository Participants, in respect of electronic holding and with Company's Registrar & Share Transfer Agents, Satellite Corporate Services Pvt.

B. INSTRUCTIONS FOR E-VOTING BEFORE/DURING THE AGM

➤ **INSTRUCTIONS FOR REMOTE E-VOTING BEFORE THE AGM ARE AS UNDER:**

(i) The voting period begins on Friday, September 23, 2022 (9.00 a.m. IST) and ends on Sunday, September 25, 2022 (5.00 p.m. IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Monday, September 19, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

OPERATIONS / STATE OF COMPANY'S AFFAIRS

The past year has been a year of excellent performance from the company, aided as it were by a resurgent economy and ebullient financial markets, the risks emanating from Covid-19 notwithstanding. We are grateful that our company was also able to capitalize on it and end the year with good results.

The two Covid-19 waves that our country faced during the year were met by our populace in an extremely mature manner, ensuring that no major ill effects were felt. During the second half of the year the Company was also able to slowly start easing restrictions on the employees and slowly permitting them to adopt a hybrid model of working from home as well as coming to office. We have now entered this financial year with a complete shift back to working from office, with the option to work from home being a permanent feature of our work culture.

MATERIAL CHANGES AND COMMITMENTS AFTER THE END OF THE FINANCIAL YEAR

There have been no material changes and commitments, affecting the financial position of the Company which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of the report.

DIVIDEND & TRANSFER TO RESERVES

In order to conserve resources, the Directors do not recommend any dividend for the Financial Year 2021-2022.No amount of profit was transferred to any Reserves other than statutory reserve of Rs. 44,68,455/- u/s 45IC of RBI Act, 1934.

MANAGEMENT DISCUSSION AND ANALYSIS

a. Business Overview & Trends

Despite two additional waves of Covid-19 ravaging the world, our country and its people demonstrated great resilience in coping with the outbreak. Our economy simply went from strength to strength, with an increasing number of payments being made electronically (even small vegetable vendors also happily accept payments using modes like PayTM and Google Pay) and people accepting the norm of paying their dues, resulting in the non-performing assets of banks coming down dramatically over the years. With significantly better financial health in our financial system, the stage is set for funds to be available to our entrepreneurs for all well thought out business plans. This was reflected in the stock prices of many of our investments rising and once again we ended the year with no bad loans.

b. Nature of Industry

Risk is inherent in the financial industry, but managing the risk well is what enables us to take the next risky bet, and thereby earn above normal returns. Excellent management by our Central Bank helped keep the industry on a stable footing, and most of our performance was based on the inherent strength of the Indian financial system. Global factors like high oil prices and higher interest rates are playing truant this year, but we expect our economy as well as our companies to manage both well.

c. Business Performance

We have benefited greatly from the excellent rally in the equity markets over the past year which has helped us post good profits for the year. We are faced with different challenges this year, but continue to be optimistic in the long run.

d. Risks & Concerns

All our borrowers kept their accounts in good stead even through the various challenges faced by the economy. The volatility in the stock market will continue to affect our performance, either towards the positive or negative, and while we hope to profit from it, it will also remain a source of risk.

e. Internal Control Systems And Their Adequacy

We believe that our internal control systems are adequate for the scale of our operations.

f. Limitations of Financial Statements

Our greatest strength is our people, a strength that no number in the Balance Sheet can cover. With the abilities of our people, we believe that we will continue to do well over the longer period of time.

g. Future Outlook

With our country going from strength to strength and our companies managing the current high inflationary scenario with aplomb, we are very bullish on the future outlook for our country as well as our financial markets. The celebration of the Amrit Mahotsav of our 75th Independence Day has evoked a greater emotion for the country in its people and brought them even closer to each other. The ground has been well prepared for greater success over the next 50 years.

OASIS SECURITIES LIMITED
35th ANNUAL REPORT (2021-22)

h. Segment Wise Performance

Your Company has only single segment i.e. Investment. Revenue and expenses have been identified on the basis of accounting standard and guidance note issued by Institute of Chartered Accountants of India.

i. Human Resources and Industrial Relations

We continue to maintain cordial relations with all our employees and have not had any problems with them.

j. Cautionary Statement

Financial markets implicitly mean great volatility, and while we expect to do well in the long run, it is important to note that in the short term we may see significant upheavals.

k. Discussion on financial performance with respect to operational performance.

The Company's cost reduction initiatives have yielded results as the Company was profitable despite the significant rise in input costs. Efforts to further improve efficiency continue at all levels and across all departments.

l. Material developments in Human Resources / Industrial Relations front, including number of people employed.

The total number of employees has increased at the end of the prior financial year:

INDEPENDENT AUDITORS' REPORT

To,

The Members of Oasis Securities Limited

Report on the audit of the Ind AS financial statements

Opinion

We have audited the accompanying Ind AS financial statements of Oasis Securities Limited ("the Company"), which comprise the balance sheet as at March 31, 2022, and the Statement of Profit and Loss, including Other Comprehensive Income, the statement of cash flows and the Statement for Changes in Equity for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit, including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the Ind AS financial statements section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Ind AS financial statements.

The manner in which the key audit matters have been addressed is given herein below in tabular form:

Key audit matters	How our audit addressed the key audit matters
a. Impairment of financial assets (expected credit loss)	
<p>Ind AS 109 requires the Company to recognise impairment loss allowance towards its financial assets (designated at amortised cost and fair value through profit & loss) using the expected credit loss (ECL) approach. Such ECL allowance is required to be measured considering the guiding principles of Ind AS 109 including:</p> <ul style="list-style-type: none">• unbiased, probability weighted outcome under various scenarios;• time value of money;• impact arising from forward looking macro-economic factors and;• availability of reasonable and supportable information without undue costs. <p>Applying these principles involves significant estimation in various aspects, such as:</p>	<ul style="list-style-type: none">• We read and assessed the Company's accounting policies for impairment of financial assets and their compliance with Ind AS 109.• We tested the criteria for staging of loans based on their past-due status to check compliance with requirement of Ind AS 109. Tested a sample of performing (stage 1) loans to assess whether any loss indicators were present requiring them to be classified under stage 2 or 3 and vice versa.• We evaluated the reasonableness of the Management estimates by understanding the process of ECL estimation and tested the controls around data extraction and validation.• Tested the ECL model, including assumptions and underlying computation.

<ul style="list-style-type: none"> • grouping of borrowers based on homogeneity by using appropriate statistical techniques; • staging of loans and estimation of behavioural life; • determining macro-economic factors impacting credit quality of receivables; • estimation of losses for loan products with no/minimal historical defaults. <p>Considering the significance of such allowance to the overall financial statements and the degree of estimation involved in computation of expected credit losses, this area is considered as a key audit matter.</p>	<ul style="list-style-type: none"> • Assessed the floor/minimum rates of provisioning applied by the Company for loan products with inadequate historical defaults. <p>Audited disclosures included in the Ind AS financial statements in respect of expected credit losses.</p>
b. Fair Valuation of Investments	
<p>The Company's investments (other than investment in Subsidiary and Associates) are measured at fair value at each reporting date and these fair value measurements significantly impact the Company's results. Within the Company's investment portfolio, the valuation of certain assets such as unquoted equity and bonds requires significant judgement as a result of quoted prices being unavailable and limited liquidity in these markets.</p>	<p>We have assessed the Company's process to compute the fair value of various investments. For quoted instruments we have independently obtained market quotations and recalculated the fair valuations. For the unquoted instruments, we have obtained an understanding of the various valuation methods used by management and analysed the reasonableness of the principal assumptions made for estimating the fair values and various other data used while arriving at the fair value measurement.</p>

Information other than the Ind AS financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the Ind AS financial statements

The Company's board of directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is

sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "I", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The balance sheet, the statement of profit and loss including the statement of other comprehensive income, the cash flow statement and statement of changes in equity dealt with by this report are in agreement with the books of account;
- (d) In our opinion, the aforesaid Ind AS financial statements comply with the accounting standards specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015;
- (e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in 'Annexure II' to this report; and

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;

- a. The Company has no pending litigations that impact on its financial position;
- b. The Company did not have any long-term contracts including derivative contracts for which there could be any material foreseeable losses; and
- c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

In our opinion and according to the information and explanations given to us the Company is in compliance with Section 177 and 188 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone Ind AS financial statements as required by the applicable Indian accounting standards.

XIV. In our opinion and based on our examination, the company have an internal audit system commensurate with the size and nature of its business.

We have considered, during the course of our audit, the reports of the Internal Auditor's for the period under audit in accordance with the guidance provided in SA 610 'Using the work of Internal Auditors'.

XV. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its Directors and hence provisions of Section 192 of the Act are not applicable.

XVI. According to the information and explanation given to us, the Company is registered, as required, under Section 45-IA of the Reserve Bank of India Act, 1934.

XVII. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

- XVIII. There has been no resignation of the statutory auditors during the year and accordingly this clause is not applicable.
- XIX. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- XX. According to the information and explanations given to us and based on our examination of the records of the Company, section 135 of the Companies Act 2013 is not applicable to the company. Accordingly, the company is not required to undertake any CSR activities.
- XXI. The company does not have any holding or subsidiary companies and hence it is not required to prepare consolidated financial statements. Accordingly, this clause is not applicable to the company.

Annexure II to the Independent Auditors' Report

Annexure II referred to in paragraph 2(f) under the heading 'Report on other legal and regulatory requirements' of our report of even date

Report on Internal Financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (the 'Act')

We have audited the internal financial controls over financial reporting of Oasis Securities Limited (the 'Company') as of 31 March 2022 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding

of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements.

Meaning of internal financial controls over financial reporting with reference to these Standalone Ind AS Financial Statements

A Company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements includes those policies and procedures that:

- i. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- ii. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and Directors of the Company; and
- iii. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and such internal financial controls over financial reporting with reference to these standalone Ind AS financial statements were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 Corporate Information

Oasis Securities Ltd ('the Company') is a public limited company incorporated under the erstwhile Companies Act, 1956 on 6th November, 1986. The Company is registered with Registrar of Companies, Mumbai, Maharashtra vide registration no. L51900MH1986PLC041499 having its registered office address at Raja Bahadur Compound, Building No. 5, 2nd Floor, 43 Tamarind Lane, Mumbai MH 400023 IN.

Oasis Securities Ltd is a non deposit taking NBFC, engaged in NBFI business.

The financial statements were approved by the Board of Directors and authorised for issue on 27/05/2022.

2 Basis of Preparation and Presentation and Significant Accounting Policies

2.1 Basis of Preparation and Presentation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 to be read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) Amendment Rules, 2016. The Master Direction – Non-Banking Financial Company – Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 ('the NBFC Master Directions') and notification for Implementation of Indian Accounting Standard vide circular RBI/2019-20/170 DOR(NBFC).CC.PD.No.109/22.10.106/2019-20 dated 13 March 2020 ('RBI Notification for Implementation of Ind AS') issued by RBI. The Company uses accrual basis of accounting except in case of significant uncertainties. The Company's Financial Statements for the year ended 31st March 2022 comprises of the Balance Sheet, Statement of Profit and Loss, Statement of Cash Flows, Statement of Changes in Equity and Notes to Financial Statements.

The financial statements are prepared on a going concern basis, as the Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources. The outbreak of COVID-19 has not affected the going concern assumption of the Company.

Company's financial statements are presented in Indian Rupees, which is also its functional currency.

2.2 Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in India requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Management believes that the estimates made in the preparation of the financial statements are prudent and reasonable. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

2.3 Basis of Measurement

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on accrual method of accounting, except for certain financial assets and liabilities, including financial instruments which have been measured at fair value as described below

2.4 Key Accounting Estimates and Judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognized prospectively. Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities, are included in the following notes:

- (i) Determination of the estimated useful lives of property, plant and equipment and intangible assets.
- (ii) Recognition and measurement of provisions and contingencies, key assumptions about the likelihood and magnitude of an outflow of resources.
- (iii) Recognition of deferred tax assets.
- (iv) Fair value of financial instruments.
- (v) Applicable discount rate.
- (vi) Impairment on financial assets
- (vii) Provision for tax expenses
- (viii) Provision and other contingent liabilities

2.5 Measurement of fair values

The Company's accounting policies and disclosures require the financial instruments to be measured at fair values. The Company has an established control framework with respect to measurement of fair values. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusions that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets and liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2.6 Estimation of impairment allowance on financial assets amidst COVID-19 pandemic

Estimates and associated assumptions, especially for determining the impairment allowance for Company's financial assets, are based on historical experience and other emerging factors on account of the pandemic which may also have an effect on the expected credit loss. The Company believes that the factors considered are reasonable under the current circumstances. Given the dynamic nature of the pandemic situation, these estimates are subject to uncertainty and may be affected by the severity and duration of the pandemic.

2.7 Summary of Significant Accounting Policies

a) Revenue Recognition

Revenue is recognized to the extent it is probable that economic benefits will flow to the Company and revenues can reliably be measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and reduced for estimated customer returns, rebates, taxes or duties collected on behalf of the government and other similar allowances.

Interest Income

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

Interest on financial assets subsequently measured at fair value through profit or loss (FVTPL) is recognised at the contractual rate of interest

Net gain on fair value changes

Financial assets are subsequently measured at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI), as applicable. The Company recognises gains/losses on fair value change of financial assets measured as FVTPL and realised gains/losses on derecognition of financial asset measured at FVTPL and FVOCI.

All other revenues are accounted on accrual basis.

b) Expenses

All expenses are accounted for on accrual basis.

c) Property, Plant & Equipment

Property, Plant & Equipment's are stated at cost net of recoverable taxes, trade discounts and rebates and include amounts added on revaluation, less accumulated depreciation and impairment loss if any. The cost of property, plant & equipment's comprises its purchase price, borrowing cost and any other cost directly attributable to bringing the asset to its working condition for its intended use. Subsequent expenditure is capitalised only if it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

Depreciable amount for property, plant and equipment is the cost of property, plant and equipment less its estimated residual value.

Depreciation is provided on Straight Line Method over the estimated useful lives of the property, plant and equipment, except Leasehold Improvements, prescribed under Schedule II to the Companies Act, 2013 on pro rata basis. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on internal technical evaluation.

Leasehold Improvements are amortized over the primary period of lease.

The estimated useful lives, residual values and depreciation methods are reviewed by the management at each reporting date and adjusted if appropriate.

Property, plant and equipment are derecognised either on disposal or when no economic benefits are expected from its use or disposal. The gain or loss arising from disposal of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and recognised in the Statement of Profit and Loss in the year of occurrence.

d) Impairment of non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that the assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss (if any).

If the recoverable amount of asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised as an expenses in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of an asset is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss

e) Depreciation

Depreciation on fixed assets (including investment property) except leasehold improvements is provided on straight line method in the manner and rates prescribed in Schedule II to the Companies Act, 2013. Depreciation is charged on a pro-rata basis for assets purchased / sold during the year.

Leasehold improvements are amortized over the primary period of lease.

f) Income Tax

- i) Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with Indian Income Tax Act, 1961.
- ii) Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

g) Borrowing Costs

Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing. Borrowing costs, allocated to qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset are capitalized upto the time all the activities necessary to prepare the qualifying asset for its intended use or sale are complete. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready to its intended use or sale. All other borrowing costs are recognised as an expense in the period in which they are incurred.

h) Financial Instruments

A financial instrument is any contract that gives rise to financial asset of one entity and financial liability or equity instrument of another entity.

-- Financial Assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

i) Initial recognition and measurement

All financial assets are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition of financial assets, which are not at fair value through profit or loss, are added to the fair value on initial recognition.

ii) Subsequent measurement and classification

For the purpose of subsequent measurement, the financial assets are classified into three categories:

- Financial assets at amortised cost
- Financial assets at fair value through Other Comprehensive Income (FVTOCI)
- Financial assets at fair value through profit or loss (FVTPL) on the basis of its business model for managing the financial assets.

iii) Financial assets at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold assets for collecting contractual cash flows and the contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method, less impairment, if any. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

iv) Financial asset at Fair Value through other comprehensive income (FVTOCI)

A financial asset is measured at fair value through other comprehensive income (FVTOCI) if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

v) Financial asset at Fair Value through profit or loss (FVTPL)

A financial asset which are not classified in any of the above categories are measured at FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

vi) Financial assets as Equity Investments

All equity instruments other than investment in subsidiaries and associate are initially measured at fair value; the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

The Company makes such election on an instrument-by-instrument basis. A fair value change on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

vii) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

viii) Impairment of financial assets

The Company applies 'Simplified Approach' for measurement and recognition of impairment loss on the following financial assets and credit exposure:

- Financial assets that are debt instruments and are measured at amortised cost e.g. loans, deposits and bank balance
- Trade receivables

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime expected credit loss at each reporting date, right from its initial recognition.

Financial assets where no significant increase in credit risk has been observed are considered to be in 'stage 1' and for which a 12 month ECL is recognised. Financial assets that are considered to have significant increase in credit risk are considered to be in 'stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. Lifetime ECL is recognised for stage 2 and stage 3 financial assets.

At initial recognition, allowance (or provision in the case of loan commitments) is required for ECL towards default events that are possible in the next 12 months, or less, where the remaining life is less than 12 months. In the event of a significant increase in credit risk, allowance (or provision) is required for ECL towards all possible default events over the expected life of the financial instrument ('lifetime ECL'). Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic prospect of recovery.

Interest income is recognised by applying the EIR to the net amortised cost amount i.e. gross carrying amount less ECL allowance.

-- Financial Liabilities

i) Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost.

ii) Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in case of loans and borrowings and payables, net of directly attributable transaction costs.

iii) Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and transactions costs. The EIR amortisation is included as finance costs in the Statement of Profit and Loss. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are derecognised.

iv) Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

-- Offsetting of Financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

i) Fair value measurement

The Company measures its qualifying financial instruments at fair value on each Balance Sheet date.

Fair value is the price that would be received against sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place in the accessible principal market or the most advantageous accessible market as applicable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy into Level I, Level II and Level III based on the lowest level input that is significant to the fair value measurement as a whole. For a detailed information on the fair value hierarchy, refer note no. 31.

For assets and liabilities that are fair valued in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

j) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

k) Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and on hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flow, cash and cash equivalents consists of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

l) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent Assets are not recognised in the financial statements. Contingent Assets if any, are disclosed in the notes to the financial statements.

m) Intangible Assets

Intangible Assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

Intangible Assets are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible is recognised in the statement of profit and loss account.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

n) Employee Benefits

i) Short – term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages, performance incentives etc. are recognised at actual amounts due in the period in which the employee renders the related service. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognized as an expense as the related service is rendered by employees.

ii) Post Employment Benefits

Defined Benefit Plan : The cost of providing benefit like gratuity is determined using the actuarial valuation using the projected unit credit method carried out as at the balance sheet date. Actuarial gain or loss are recognised immediately in the Profit or Loss Account or Other comprehensive income.

All expenses represented by current service cost, past service cost, if any, and net interest expense / (income) on the net defined benefit liability / (asset) are recognised in the Statement of Profit and Loss. Remeasurements of the net defined benefit liability / (asset) comprising actuarial gains and losses are recognised immediately in Other Comprehensive Income (OCI).

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in the Statement of Profit and Loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

iii) Other long term employment benefits

Compensated absences : Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the defined benefit obligation at the balance sheet date as determined by an independent actuary based on projected unit credit method. The discount rates used for determining the present value of the obligation under other long term employment benefits plan, are based on the market yields on Government securities as at the balance sheet date.

The sensitivity analysis have been determined based on reasonably possible changes in the respective assumptions occurring at the end of the reporting year, holding all other variables constant. The sensitivity analysis presented above may not be representative of the actual change in the Projected Benefit Obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the Projected Benefit Obligation has been calculated using the projected unit credit method at the end of the reporting year, which is the same method as applied in calculating the projected benefit obligation as recognised in the Balance Sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

b) Fair value hierarchy

The fair value of financial instruments as referred to in note (a) above have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs

The categories used are as follows:

Level 1 - Quoted prices (unadjusted) for identical assets and liabilities in an active markets.

Level 2 - Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices).

Level 3 - Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

c) Measurement of Fair Value

The fair values of financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent in all the years. The following methods and

- The fair values of investments in mutual fund units is based on the net asset value ('NAV') as stated by the issuers of mutual funds. Net asset values represent the price at which the issuer will issue further units in the mutual fund and the price at which issuers will redeem such units from the investors.
- The Management assesses that fair values of trade receivables, cash and cash equivalents, other bank balances, loans, trade payables, current borrowings, other current liabilities and other financial liabilities (current), approximate to their carrying amounts largely due to the short-term maturities of these instruments.
- The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amount would be significantly different from the values that would eventually be received or settled.

d) Risk Management Framework

The Company's business activities expose it to a variety of financial risks, namely credit risk, liquidity risk and market risks. Market risks comprise currency risk and interest rate risk. The Company's Senior Management and Key Management Personnel have the ultimate responsibility for managing these risks. The Management has a process to identify and analyse the risks faced by the Company, to set appropriate risk limits and to control and to monitor risks and adherence to these limits. Risk Management policies and systems are reviewed regularly to reflect changes in market conditions and Company's activities. Further, Audit Committee undertakes regular reviews of Risk

Impact of COVID-19

COVID-19 is impacting businesses globally by disrupting operations, supply chains and travel. In order to address the risk associated with COVID-19 and to seamlessly carry out normal operations, the Company immediately activated its Business Continuity Plan (BCP). The Company ensured seamless accessibility of critical systems through virtual private network (VPN), thereby minimizing the risk of security/data breaches and cyberattacks. No part of trade and other receivables has become impaired on account of the COVID - 19 outbreak. The extent to which the global pandemic will impact the Company's impairment assessment and resultant provisions is uncertain. The Company has assessed the potential impact of COVID-19 on the carrying value of its investments and has considered internal and external information available, up to the date of approval of these financial statements.

i) Credit risk

Credit risk is the risk that a customer or counterparty fails to meet its contractual obligations resulting in financial loss to the Company. The Company is exposed to credit risk from its operating activities (trade & other receivables) and from its financing activities including investments in mutual funds, deposits with banks and financial institutions and financial instruments. Credit risk has always been managed by the Company through credit approvals and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company has adopted expected lifetime credit loss model to assess the impairment loss, and is positive of the realisability of the other trade receivables and other Financial Asset.

Loans, Trade & other Receivables

Credit risk from trade & other receivables is managed by establishing credit limits, credit approvals and monitoring creditworthiness of the customers. Outstanding customer receivables are regularly monitored. The Company has computed credit loss allowances based on Expected Credit Loss Model, which excludes transactions with subsidiaries. The ageing of trade receivables is as follows:

Investments in Mutual Funds and Bank Balances

The Company's exposure in balances with banks and investments in Mutual Funds is limited, as the counterparties are highly rated banks and financial institutions.

Oasis Securities Limited**Notes annexed to and forming part of the Standalone Financial Statement as at 31st March 2022***(Currency: Indian Rupees)*ii) Liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses.

The following tables detailed the Company's remaining contractual maturities of financial liabilities as at the reporting date with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The table includes both interest and principal cash flows.

iii) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises Currency Risk

Currency risk

The Company's operations are only in India which results in no foreign currency risk exposure.

Interest rate risk

The company has no borrowings and investments in interest bearing instruments. Hence, company has no interest rate risk exposure.

31 Capital Management

The Company's objective is to maintain appropriate levels of capital to support its business strategy taking into account the regulatory, economic and commercial environment. The Company aims to maintain a strong capital base to support the risks inherent to its business and growth strategies. The Company endeavours to maintain a higher capital base than the mandated regulatory capital at all times.

32 Maturity analysis of assets and liabilities

The table below set out carrying amount of assets and liabilities according to when they are expected to be recovered or settled. With regard to loans and advances to customers, the Company uses the same basis of expected repayment behaviour as used for estimating the EIR.
